

Avery Dennison®

Cut Vinyl Film

Application accessories help you successfully install color with character.

Application Tool Belt

Keep all of our tools in this waist belt, specially designed by professional applicators.

White Squeegee

A white, low cost squeegee that is intended for light or single use applications. Most commonly used for applying sign cut letters.

Silver Squeegee

A silver premium nylon squeegee ideal for fleet work. This high quality squeegee minimizes nicks. It can still be sharpened and will last for several jobs.

Red Felt-Edge Squeegee (Soft)

A red, softer and more flexible squeegee with a felt edge that will not scratch or mar the surface of digital prints or specialty vinyl. Ideal for 3D applications, deep corrugations and curved applications like pillars and car bumpers.

Blue Felt-Edge Squeegee (Medium)

A blue nylon reinforced squeegee with a black felt edge that will not scratch or mar the surface of digital prints or specialty vinyl. The perfect tool for flat or lightly curved surfaces.

White Felt-Edge Squeegee (Stiff)

A Teflon® squeegee for smooth non-stick applications where the edge of the squeegee does not heat up or create drag. The soft felt edge can be wet in order to avoid scratching vinyls.

Flextreme Micro Squeegee Kit

Micro-squeegees specifically designed for vinyl graphics applications featuring very tight, compressed corrugations and other narrow substrate indentations.

Super Strong Apply Magnets

Magnets are a great aid to holding and positioning graphics on a substrate. Strong magnetic pull can replace application tape.

Application Glove

A soft, seamless, cotton, application glove with anti-static properties and excellent friction resistance help smooth graphics over the application surface and into curves and recesses.

Air Release Pen

Sharp retractable air release pen in a handy pen design. Ideal for releasing trapped air and eliminating bubbles during application.

Plastic Breakaway Knife

Plastic applicator knife designed for graphic application. Holds 30° angled breakaway blade for accurate cutting.

Metal Breakaway Knife

A strong, durable metal casing, holding 30° angled breakaway blade for accurate cutting.

To purchase application accessories, contact your local distributor.
